

Fair Community Housing

Hakim is 16 years old and lives on St Johns estate. With his family, Hakim attends Borehamwood football academy.

Recently he has set about to raise money for a trip to take a group of teenagers away for a residential weekend.

He devised a presentation and took it along to Salmon youth Centre. He went through the presentation and explained how the trip could help and educate the youth and expressed how much he learnt from the last residential he went on from Fisher Downside Youth Club.

The panel at Salmon Youth centre asked Hakim lots of questions and were very impressed and granted Hakim a grant to take the group away to Woodrow High House.

A BIG WELL DONE TO HAKIM FOR USING HIS INITIATIVE!

Alexander Vice Chair FCHS

I am a math's lecturer working at Kings college London. I am involved in the HR subcommittee & also I am in the process of updating the FCHS website.

I became involved in FCHS because I wanted to get to know the people I was living alongside & I want to help foster the community spirit, also I wanted to know how decisions were made about service charges paid by the residents are spent.

A big thank you to everyone that came

along for the teddy bears picnic.

I am sure you will agree we had a great day out.

Picture are available to see at FCHS office please come along and see.
